Dear Families,

Class 2 Morocco - Writing Research

As you may be aware, Miss Khan, a trainee teacher, is working in your child's class alongside Mrs Ali. As part of her University course, she will be carrying out a research project in children's writing and will be using examples of the children's work as well as interviewing some of the children in 2 Morocco as part of this study. All research will be kept completely anonymous.

We are supporting Miss Khan in her training and research, however, if you do not wish your child to be part of this project, please contact the school office.

Yours sincerely,

Helen Haunch
Principal
