COVID-19

Due to COVID-19 restrictions and social distancing no more than 3 people will be in attendance each learning session.

All learners will be required to comply with COVID-19 safety measures. This means you will be asked to sign agreements at the start of the programme committing to the use of masks, gloves, or sanitiser.

Each learner will be contacted at the end of each week and required to answer questions relating to COVID-19.

This will be explained in detail on the first day of attendance. All these measures are being put into place to ensure the safety of you, your families, staff members and members of the public.

NB: This is subject to change as the COVID health crisis changes

Street Life Partnership
Pathways into Employment

is funded by the European Social fund and the Education and Skills Funding Agency.

Funding supports organisations in Coventry & Warwickshire and the Leeds City Region to help unemployed people move towards employment, training or education.

ESF Community Grants
