

10 September 2020

Dear Families,

Welcome back everyone. Now that the children are back in school we would like to offer you some courses in our community room.

Due to Covid 19, everything had to be stopped but now with increased safety measures, for all our protection, Safety First will be starting their ESOL classes.

The numbers will be limited due to social distancing measures and unfortunately there will be no creche facility.

The course will be free to all. You will have a choice of attending Monday and Tuesday or Wednesday and Thursday afternoon. You must attend on both of the days in that week.

Registration will take place on **Monday 14 September** in the Community Room. Registration slots will be allocated once we receive your replies. You need to provide your name, address and emergency contact details when register for ESOL.

To register your interest please complete and return the form to the office or email info@dixonsmb.com

I will be in contact with a registration time.

Yours sincerely

Mrs S Khan
Parental Involvement Worker

Your Name:
Telephone number:
Name of youngest child at Dixons Marchbank:
Are your children entitled to free school meals due to low income?
Post code:
COURSES – Please tick one session
ESOL Monday and Tuesday afternoon
ESOL Wednesday and Thursday afternoon

The day, time and start dates will be announced once we can determine how many people are interested in the courses. Learning is a wonderful experience and when our children see us making the effort and continuing to learn it promotes a positive attitude towards education for them also. Remember spaces are limited. Please don't miss out. Please inform your friends and family as these courses are for the community.
