

8th April 2022

Dear families,

I would like to wish you and your families a happy and restful Easter break. We have had a positive term with many things getting back to 'normal' – some lovely trips and experiences for our children, a lot of learning and catch up interventions and a lot of fun! We really have been living our values of Teamwork, Commitment and Enjoyment.

If you are fasting in the holidays we hope that goes well and that you are able to enjoy some lovely family time – don't forget to use our amazing local facilities such as the parks and the Media Museum which is free. Please continue to read with your child at home and sign their reading records. Students can also access the learning tools online that they have access to. We have a busy term ahead in summer – we have Year 1 phonics checks, year 4 multiplication table checks as well as KS1 and KS2 SATs. Attendance is vital to success so please make sure your child attends school every day and save holidays abroad for the school holiday periods.

We return to school at 8.25am on Monday 25th April – please ensure that your child has the full, correct uniform, no jewellery except stud earrings and watches, and no patterns shaved into hairstyles. Recent visitors to school have commented on how smart our children look and how polite they are. We are very proud of them!

Have a wonderful Easter break and see you in 2 weeks.

Yours sincerely,

Helen Haunch
Principal
