

21st September 2020

Dear Parents and Carers,

Following Covid 19 Guidelines

During the last week, some students have been telling adults in school that they have attended large family events, where more than 6 people from many households have attended. Some have even said that they have been specifically told not to mention these events to anyone.

In normal circumstances, this would be something to cause joy and not concern, but, as Bradford is in local lockdown with rising Covid 19 cases, it is imperative that we all follow guidelines that are there to stop the spread of infection.

We appreciate that these decisions are extremely difficult, but in order to protect our students, staff, parents and community, we will begin to take appropriate action on any suggestion of any illegal events taking place within the community. We must all follow the guidelines, however difficult, to do our duty to protect ourselves, families and our communities.

Thank you for your continued support.

Mrs. Haunch
Principal
