Dear Families,

**NEW MARCHBANK MAIL NEWSPAPER – Spring Edition**

We are pleased to announce our new, free, recently launched Marchbank Mail newspaper containing national, international and regional news and written by Marchbank students in Key Stage 2. Our young investigative reporters have also written articles about events happening in Marchbank and the local community, with links to Twitter and the DMB Website on QR codes.

To access the newspaper on the DMB website, please visit the News and Events page <https://www.dixonsmb.com/news-events> or scan one of these QR codes with your phone camera:

You can also find details of what's happening in school on our twitter page. Please follow us @dixons\_mb or scan the QR code below.

We hope you enjoy our first edition. We'd love to hear your feedback.
