

7 March 2022

Dear Families

Upcoming events

We have a number of events and activities taking place in school over the next 2 weeks.

Scientists at Work!

During March, we will be celebrating all things Science. We have a week of exciting activities and experiments planned in school starting Monday 14th March.

In the build up to our Science Week, we will be selling a range of fun science themed gadgets to children in Years 1 to 6. Prices range from £1.00 to £3.00 (maximum spend per child is £3.00).

Our **Science Shop** will be open from tomorrow, Tuesday 8 March, and items will be on sale during break times this week, Tuesday to Friday, and at home time on Wednesday and Friday. Funds raised will go towards more science workshops and activities.

Astronomy Dome

Parents of children in KS2 have already received a letter with details of our exciting Astronomy workshop taking place on Thursday 17th March. We have a professional visitor coming into school to present this activity and are asking for a voluntary contribution of **£2.00** per child towards the cost of the workshop. Unfortunately, if insufficient payments are made, the visit may have to be cancelled.

If you have not yet made payment, please do so before Thursday 17 March via Parentpay or Paypoint.

Comic Relief Friday 18 March

As you may know, it is Red Nose Day on **Friday 18 March**. This year's theme is it's all about 'You' and what you can do to make a difference.

At Dixons Marchbank, we would like the children to come to school in non-uniform - dress up as a Superhero, wear your favourite outfit, wear something red. You decide.

A voluntary donation of **50p** would be welcome and all monies raised from non-uniform will go to the Red Cross to help those in urgent need in the Ukraine.

Red Noses will also be on sale in your child's class from **Tuesday 15 March** at a cost of **£1.50**. These will be sold on a first-come first-served basis and only one per child. All monies received from the sale of Red Noses will be donated to Comic Relief.

Thank you for your continued support with our fundraising events.

Helen Haunch
Principal
