

12th July 2021

Dear families,

Last week, our year 6 leavers took part in den building on our field as part of their leavers' fun day. We employed a company to come in and deliver the session. What we didn't expect was the extremely powerful sense of being a team that our students came away with. They had enormous fun but learnt some fantastic skills, using a huge range of new tools and equipment, and came away with a real sense of camaraderie.

We would like our Year 1 – 6 children to take part in this session right at the beginning of the new school year. We feel this will start the year with amazing bonding for those classes. The company have been provisionally booked for 2nd – 4th September and each class will have a whole half a day taking part in the sessions.

Although this activity is taking part in school there is a small charge of £3 per child which I'm sure you will agree is great value for the immense benefits. If everyone contributes this small charge, we can ensure that all the children are able to take part.

Thank you for your support.

Helen Haunch
Principal
