

23 November 2022

Dear families,

3 Hungary National Science Media Museum
Monday 5th December 2022

On Monday 5th December, 3 Hungary will have an exciting opportunity to visit the National Science Media Museum in Bradford. The children will take part in BD3 Switched on School days and learn about the science behind green screen, light and sound. This visit will also help the children develop new skills through participation and give them the opportunity to explore the various galleries at the museum.

A packed lunch will be provided from the school kitchen for all children. This is at a cost of **£2.10** - if you usually pay for school meals this is included in the **£10.50** you pay at the beginning of the week. There is no charge if your child receives free school meals.

The cost of the visit is part subsidised by our school fund. We have previously written to you requesting a one-off payment of £20 for your child which will cover the cost of trips and workshops for the whole year.

Thank you to those parents who have already made this payment. The payment is due by 16 December via ParentPay or PayPoint and, if you require a copy of your PayPoint letter, please ask at the office.

Please complete and return the reply slip to the office as soon as possible.

Yours faithfully,

Mrs H Haunch
Principal

✂

I give permission for my child to go to the National Science Media Museum on Monday 5th December 2022.

Signed: _____ **Parent/Carer** **Date:** _____
