

Applications to join Year 7 at the Dixons academies

Children from Dixons Manningham and Dixons Marchbank are given priority for places at the following academies:

- Dixons Allerton
- Dixons City
- Dixons Cottingley
- Dixons Kings
- Dixons McMillan

Supplementary form (for applications to Dixons City and Dixons Kings academies only)

If you are wanting your child to be considered for a place at Dixons City and / or Dixons Kings academies, please complete the supplementary form before the deadline of **3.30pm on Monday 30 September 2024**.

You will also need to complete this form if you want to apply for your child to be considered for a performing arts (music or drama) place at Dixons City Academy.

The form is available at the website: apply.dixonsacademies.com

If you need help with your application, please see a member of staff in your child's primary school or a member of admissions staff at the open evenings (listed below).

Common application form (CAF)

If you want to apply for a place at any of the above academies, you will need to list each one that you want to apply for as a preference on the Council common application / preference form (CAF / CPF), along with any other schools that you also want to apply for.

When deciding which schools to apply for, it is important to consider whether your child can easily travel to that academy / school, for example, they may need to walk or take a bus if you do not have another means of transport regularly available.

Please note that having priority for Dixons City or Dixons Kings does not guarantee a place will be offered as this may depend upon the number of places available in a specific ability band. For this reason, you should not list only Dixons schools as preferences.

If you are unsure about whether you want to apply for a place at a school, it is best to visit the open evening to find out more information about the school.
