

16 April 2026

Dear families,

Bradford Stories Bus, Tuesday 21 April 2026, 12.30pm- 1.15pm

We are delighted to invite you and your child to experience something truly special — a visit to the Bradford Stories Bus.

The Bradford Stories Bus is a beautifully converted American school bus, transformed into a unique mobile book space where children and families can explore the joy of reading together. During your visit, you and your child will be able to take part in a range of exciting literacy activities, enjoy storytelling sessions, and discover a variety of engaging books.

Our aim is to create a fun and welcoming environment that inspires a love of reading. We also hope to support you as parents and carers in finding simple and enjoyable ways to chat, play, and read with your children, helping to build their confidence and enthusiasm for books.

This is a wonderful opportunity to spend quality time together while encouraging your child's literacy development in a relaxed and enjoyable setting.

We warmly encourage you to attend and look forward to welcoming you aboard the Bradford Stories Bus.

Nursery for the afternoon session starts at 12.20pm, and a member of our team will escort you to the bus.

Kind regards,

E Hanney

Mrs Emma Hanney
Assistant Principal for EYFS
