Dear families,

Nursery Reading Workshop

We would like to invite you to a reading workshop to support your child's progress in reading.

We will provide a brief explanation of the benefits of reading and the importance of reading together as a family. This will be followed by an introduction on how to borrow a book from our class library and there will be time for you and your child to choose your first library book together. Library sessions will then continue every week on Thursdays.

The details of the workshops are as follows. Please add the date to your diary and arrive promptly for the start of either the morning or afternoon session.
