In Maths we will be recapping 2D shapes, learning 3D shapes. We will also be counting and representing numbers 1-5, using language such as more than, less than and counting and ordering numbers 1-5.

CURRICULUM ENRICHMENT

To enrich our curriculum this half term we will be starting off with looking at activities that mark the end of Ramadan and the celebration of Eid -ul-Fitr.

We will learn why this occasion is so important to Muslims and why and how we celebrate this.

REMINDERS

Our PE day is **Tuesday (nam) & Fridays (npm)**. Please ensure your child attends Nursery in suitable footwear. PE lessons take place in the main hall and the children will be given the opportunity to use lots of different apparatus.

Please don't forget to change your child's library book every **Friday**.

Songs that we will be learning in Nursery this half term:

Down in the deep blue Sea

Baby Shark

The sea animals

Along with many others. Why don't you help your child learn these at home so they are familiar with them. You can find them on youtube. Just type in the key words and it will come up.

LIBRARY BOOKS

To develop and encourage a love for books, we ask you to read with your children every day. Ask them questions about the pictures and about the story.

Wow Moment!

We want to celebrate your child's achievements both in and out of Nursery.

Therefore if your child has done anything special at home, please log on to tapestry and upload a picture along with some notes of what it is your child has done. This will support us to boost your child's self esteem and self confidence!

Thank you for your support.
