

# Nursery Newsletter

Thank you to all those parents who log onto Tapestry regularly, you are really moving your child's learning onto the next level!

## This terms topic is 'Under the sea'

In English our focal story will be 'Commotion in the Ocean' and other non-fiction books linked to under the sea creatures. We will be using puppets and props to re-enact and recall the story. We will also be concentrating on pencil grip and pencil control as we continue 'writing our name' in our daily routine.

In Maths we will be exploring 2D and 3D shapes using informal and mathematical language: 'sides', 'corners'; 'straight', 'flat', 'round'. We will be describing familiar routes. Discussing routes and locations, using words like 'in front of', 'behind', 'over and under. That will then take us to understanding position through words such as 'the bag is under the table'.

## Songs that we will be learning this half term:

Five Jellyfish. ...

Once I Caught a Fish Alive. ...

Rub-a-Dub-Dub. ...

I'm a Little Fish. ...

The Waves in the Sea. ...

Fish Are Swimming. ...

Five Cheeky Fish.

## Wow Moment!

We want to celebrate your child's achievements both in and out of Nursery. Therefore, if your child has done anything special at home, please log on to tapestry and upload a picture along with some notes of what it is your child has done. This will support us to boost your child's self-esteem and self confidence!

Thank you for your support.

## LIBRARY BOOKS

Every Thursday's

To develop and encourage a love for books, we ask you to read with your child every day. Ask them questions about the pictures and about the story.

## Creative Curriculum

As part of our Creative Curriculum, the children will be visiting a farm. This will give the children an opportunity to explore the outdoors, see animals up close, and learn more about the world around them.

Trips like these help to build confidence, develop curiosity, and support children's understanding of nature through real-life experiences.

## REMINDERS

Please ensure your child has an extra set of clothes in a bag with their name on so that they can be changed when they have had an accident or when they have had lots of fun in nursery.

## Parents Workshop

We will be having a workshop for parents very soon. Once the date and time has been confirmed, messages will be sent to you on your phones with the information. Please ensure you attend on the sessions to help you support your child's learning furthermore.
