

Nursery News

Welcome back!

We hope you have had a lovely holiday.

This term our topic is

Growing.

In English we will be focusing on the story 'Jasper's Beanstalk' We will be reading the story and using props to help the children tell the story unaided. We will be sequencing the story, using visual cues to help children retell the story.

We will be continuing to encourage children to write their first and second names. Remember if you can write your name you will receive a certificate.

In Maths we will be learning to compare the lengths of long and short objects. We will be planting our own seed in a pot and taking this home.

Songs that we will be learning in Nursery this half term:

One potato, two potato

5 little peas

You are my sunshine

It's raining, it's pouring

The farmer plants the seeds

Grow a plant

Curriculum Enrichment

To support the children's understanding of the life cycle of a plant, the children will be planting seeds and watch them grow.

They will each plant a seed and take it home. Also we will plant seeds in the nursery garden too.

Please use tapestry to view your child's learning profile and to upload all the fun activities you do with your child at home to support their learning.

Thank you for your support

Nursery Team :-)
