'Growing'.

This term, we will be learning all about growing! Our focal stories will be The Enormous Turnip and Oliver's Fruit Salad.

The children will be exploring how plants and seeds grow, learning what they need to stay healthy, and observing changes over time.

We will also be planting our own seeds to care for in nursery before taking them home.

Through a range of exciting hands-on activities, the children will make turnip soup, fruit salad, and investigate the different parts of a plant, including the stem, leaves and roots.

CURRICULUM ENRICHMENT

To enrich our curriculum this half term it is a busy one! We will be making fathers day cards for our dad's or any other important member of our family. We will also look at Eid Ul-Adha and why this is different to Eid Ul-Fitr.

We will also have our annual Enterprise day Fayre on Monday 29th June. where you can come along and join in the many stalls and games we have on offer! A great day out for the whole family!

REMINDERS

Please don't forget to upload any wow moments that your child has done at home. We want to celebrate and capture those special moments so that we can share this with the rest of the class. This will help develop your child's self-esteem and their confidence. Thank you :-)
