Dear Families,

Nursery Train Ride to Roberts Park, Saltaire

Nursery children have an exciting opportunity to travel via train to Roberts Park in Saltaire. This trip will provide our children with valuable, firsthand experiences linked to one of this term's topics: Transport.

The children will travel by coach to Bradford Forster Square, where they will board a train and travel to Saltaire, spend some time playing in Roberts Park and perhaps enjoy an ice cream, they will then return to school via coach.

Travelling by train helps children understand how people use transport to move from place to place and see how it connects different parts of their world.

Exploring the park afterwards provides opportunities to observe nature, enjoy physical play, and make real-life connections between journeys and destinations. This experience supports key areas of the EYFS, including Understanding the World, Mathematics, and Personal, Social and Emotional Development, while encouraging curiosity, confidence, and independence through real-world learning.
