

11 June 2024

Dear families,

Nursery trip payments

Our nursery pupils will be visiting Grasshoppers soft play centre at Tong Garden Centre in the coming weeks. The children will attend in small groups and will travel by minibus to enjoy the four-lane wavy slide, tarzan swings, racing aerial glide, zig zag climbers, followed by juice and an ice-cream. More details will follow soon.

Without the cost of coach hire, we have been able to review the price of this visit and will be processing a refund to those parents who have made the one-off payment.

You will receive a refund of £15 either into your Parentpay account (which you can then withdraw to your bank account) or as a bank transfer if you paid at Paypoint. If required, we will contact you to complete a payment request form.

We would like to take this opportunity to remind you that from July we will be moving from Parentpay to MCAS for all communications and payments. If you have not yet set up the MCAS app, please contact the office for support.

Yours sincerely,

Mrs Greenwood
