Remote Learning

The resources on this page are designed to support your child in accessing their learning from home.

For each year group, we have prepared links to various websites for all lessons across the curriculum. We have selected content in line with lessons that your child would be completing in school so that they do not miss out on their learning.

If you would like any support with accessing remote learning at any other time, please email the office admin@dixonsmb.com and a member of staff will answer your query.
