

5 December 2022

Dear parents,

Your child is doing well in their phonics and has started to learn set 3 sounds. For example, ee and ea.

They will now be spelling using letter names rather than the sounds, so need to know what name represents each sound.

Please teach your child the names of each sound in the alphabet over the Christmas holiday. They can do this by singing the alphabet song whilst pointing to the letter each name represents. Or click on the link and watch the video. https://www.youtube.com/watch?v=KsDMOJbWt_Y

Thank you,

Miss Dodd & Mrs Mammood
