

1 February 2023

Dear families,

Following the recent BBC articles highlighting our school, we were kindly gifted a Dyson Detect Absolute from the James Dyson Foundation to use to raise additional funds for our pupils. All proceeds raised will be used to fund our Breakfast Club provision.

From tomorrow, Thursday 2 February, we are running a raffle for parents, pupils, staff and the community which includes three fantastic prizes, as shown below.

Tickets are £1 per strip and will be on sale until morning registration on Wednesday 8 February. The draw will be made on Thursday 9 February.

Thank you for your continued support and good luck!

Helen Haunch

Principal

# FUNDRAISING RAFFLE

Raising money for our Breakfast Club provision  
£1 a strip
