

Reception Autumn 1 Topic web

We hope you had a wonderful holiday and welcome to Reception.

English Reading

We will be focusing our activities each week around the nursery rhymes and a book called, **The Meanies came to school**. This book focuses on classroom rules. And routines. We will be discussing who the characters are, what the characters are doing and how to teach the meanies to behave well.

We will be focusing on the new vocabulary and discussing the words.

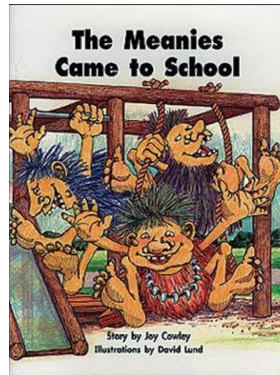

Writing

In literacy we will be retelling stories, writing words, labels and simple sentences.

Creative

Children will be exploring a range of materials to create art work.

They will also use musical instruments to create music when singing their favourite nursery rhymes.

REMINDERS

Please make sure you have a Tapestry account. This is a really useful app. You can see what your children have been learning.

Please could you encourage your child to independently zip up their coats and dress and undress with ease. This is a crucial part of their learning.

Maths

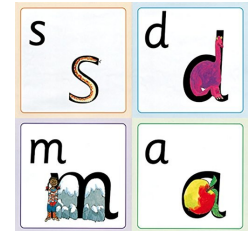

In maths we will be learning numbers up to 5. We will be ordering the numbers, counting objects and really understanding the number. We will be linking our learning to Number blocks which can be found on BBC iPlayer or Youtube.

Phonics

Daily phonics lessons will start very quickly and the children will be taught a specific sound a day which will help the children to start blending words.

Children will be encouraged to form the letters correctly.

We will continue practising writing full names.

Provision

Children will be using their own problem solving skills to build models in construction,

In the sand and water area they will be carrying out their own scientific experiments.

In role play they will using their imagination to rein-act real life experiences
