

English

Reading

We will be focusing our activities each week around the story. **'We are going on a bear hunt'**

Please can you discuss this book with your child by asking about the characters, setting and the problems. We will be focusing on the new vocabulary and discussing the words. We will be using our ICT skills to research facts about Bears.

Writing

In literacy we will be retelling stories, writing words, labels and simple sentences to create stories and fact files.

Maths

In maths we will learning about **measure**. This will involve height, length and time.

Phonics

Daily phonics lessons will continue and the children will be taught a specific sounds per day and are beginning to blend to read words.

Children will be encouraged to write words to form sentences.

Creative

Children will be exploring a range of materials to create art work. They will make bears, caves and habitats.

Festivals

The children will be learning about different festivals, pancake, Mothers day and Easter

We're Going on a Bear Hunt

REMINDERS

Have you been on Tapestry ? This is a really useful app. You can see what your children have been learning.

Please could you encourage your child to independently zip up their coats and dress and undress with ease. This is a crucial part of their learning.

Provision

We will be retelling stories and developing imagination through a bear cave role play area.

In the sand and water area they will be carrying out scientific experiments.

In Understanding the world children will be learning about weather, climate and habitats.
