

14 September 2026

Dear Families

**Welcome and food tasting session
Monday 21 September 2.15pm**

We hope that your child has enjoyed their first full week in school. We are impressed with how well the children are responding to their new environment, new friends and new routines.

Lunchtimes can feel overwhelming for children and their families – eating in the school hall, choosing a dish every day and eating independently can be a new experience for some of our children. At Dixons Marchbank, we pride ourselves on offering a varied and well-balanced lunch menu, delivered by our experienced catering team from Bradford Council, in a supportive environment.

To view our current menu, please visit the News section of our website
[Dixons Marchbank Primary | New Summer lunchtime menu](#)

We invite you to join us for a food tasting session where you and your child can sample together some of the dishes we offer. We will also take this opportunity to introduce you to Miss Khan, our Family Support Worker, and Miss Park, our Admin Manager, who will talk to you about support they can offer around Free School Meals, the MCAS and Tapestry apps and parent and community courses and events. They will be available to help you get online and answer any questions you may have.

To ensure we can cater accordingly, please complete the slip below to confirm your attendance.

We look forward to welcoming you,

E Hanney
