30 November 2023

Dear families,

**Practical Road Safety Pedestrian Training for Year 3
Monday 11th December 2023**

Your child will be taking part in a scheme which introduces them to practical road crossing skills, this involves a training session at the roadside.

The training will take place on 11th December and be delivered by Bradford Council's Road Safety Team on local roads near the school. Children will be trained in small groups and will be wearing high visibility tops.

Please ensure your child comes to school wearing suitable footwear and outdoor clothing as they will be outside for part of the day.

The following skills will be taught:

- Choosing safer places to cross
- Crossing safely between parked cars
- Crossing safely at junctions

When training starts, you will receive the leaflet 'It's a Jungle out there!' Please read this leaflet with your child, so that you can reinforce the skills your child has been taught.

It is extremely important that all children take part in this training as it prepares them for future safety on the road. We strongly recommend that they are supervised by an adult whenever crossing the road.

This letter is for information only. If you **DO NOT** wish your child to take part in the training, please contact the office on 01274 089920 or email admin@dixonsmb.com

Yours sincerely,

H Haunch
