Trip and workshop payments

Dear families,

We recognise that the current financial situation may continue to cause families a lot of worry. We want to reduce the amount of times that we ask you for money throughout the year but, at the same time, continue to provide a wide range of experiences for your children.

As per last year, we have analysed the cost of trips and workshops that each year group provides and found that a one-off payment of £20 per child will cover the cost of the trips and workshops for the whole academic year. This one-off payment will be applied every academic year meaning it will cover more expensive trips in each year group.

Please note that the one-off payment does not include the Year 6 residential. This will continue to be paid for separately.

We will add a £20 payment item for your child to your ParentPay account. We are asking if this payment could be made before 15 December 2023.

If your child is in receipt of income-related free school meal benefit from Bradford Council, there is no charge for visits and activities.

We are hoping that families will continue to find this system much more straightforward and that paying 'upfront' avoids unexpected/unplanned costs at various points across the year.

Yours sincerely,

Helen Haunch
Principal
