

## Writing

Your child will continue to learn how to write in different genres. They will learn how to write a recount of our toy workshop led by a specialist in school. Our sentence work will include capital letters, full stops and finger spaces. We are continuing to use the conjunction 'and' in our sentences. We will we also begin using the 'suffixes', es, s, ed, and ing and look at punctuations such as question marks and exclamation marks. Daily phonics lessons will continue.

## Computing (computers and iPads)

Purple mash programme.

1:5 Lego builders

1.6 Maze explorers

## P.E

We will be learning ball and racket skills.

## Science

### **Experimenting with materials.**

Children will be building upon knowledge that they learnt last half term about materials and using this to help learn about how to test materials. We will be experimenting with a variety of materials.

## Music

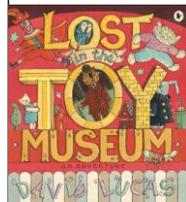

Online interactive program called Charanga. Children will be learning all about rhythm and what a beat is. We will also be learning about rhythm and pulse.

## Art and Design

Children will be designing and making a card robot with moving limbs. Children will be able to review their product and discuss what to improve.

## History Toys old and new

The children will be taking a step back in time where they will be learning about toys from the past. We will look at the similarities and differences between the toys we have now, compared to the toys in the past. We will have a toy workshop ran by external visitors where the children will be involved in learning all about toys through the ages.
