

English

Your child will continue to learn their phonic sounds through their Phonics lesson.

Our sentence work will include working on conjunctions such as and, and because, using question marks and exclamation marks as punctuation and suffixes such as, ing, ed and est.

We will do this through retelling the story of Jack and the Beanstalk in character.

Science

Plants – Children will learn all about plants. What they need to grow best. They will learn about wild and garden plants, their names and what they look like. They will also learn about plants that we eat.

Music

Children will learn rhythm, tune and a variety of music through charanga.

Art Children will study the artist Vann Gough and recreate some of his work. They will learn about warm and cold colours. Learn how to use oil pastels and acrylic paint techniques. Learn the difference between landscape, portrait and still life. Learn how artwork can make us feel different emotions. Learn how to compare art work with another artist using the theme of 'Summer'

Geography

Children will learn about countries in the UK and their physical features. They will discuss and compare what they see.

They will learn about the local physical geography around where they live and the school environment through simple field work using map skills and orienteering on school grounds.

Computing (computers and iPads)

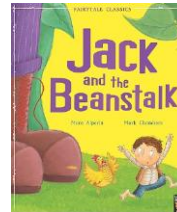

Purple mash programme.

1:6 Animated stories

1:7 Coding

Year 1

Summer Term 1

P.E

Children will use simple map skills in orienteering around school.

PSHCE

Relationships.

Important Information

Children are encouraged to read at home every day and planners must be signed by parents/older siblings.

- Reading books are changed weekly.
- All homework is set on a Friday and should be completed by the following Friday. This includes reading, spellings and maths on Purple Mash.
- Children will need to wear their P.E kit to school on a Tuesday for their P.E lesson.

Maths

Children will continue to learn number bonds to 10 and 20. They will re-enforce counting in 2's 5's and 10's.

They will begin to recognise, read, write and order numbers to 50.

R.E.

Children will be looking at similarities and differences about religions they have already learnt. Identify special books and know some key teachings of Islam and Christianity.
