

English

Our fictional text based on real events is **The Baker's Boy and the Great Fire of London**. The children will study The Great Fire of London using various writing, spelling, grammar and punctuation techniques to produce a letter to the King and finish writing a set of instructions on how to bake bread.

Other studies this half term:

Various texts, extracts and poems to discuss how authors use a range of techniques to engage the reader and entertain.

Science

Humans and Animals.

Children will be able to investigate what humans and animals need to survive. They will look at the different life cycles and the stages of different living things.

Music

The children will listen with attention to detail and recall sounds with increasing aural memory.

Using Charanga children will use the song 'Zootime'.

Art

Children will be using a range of paints to paint a fiery London skyline during the great fire.

Geography

Children will study the local area and London. They will be focusing on map work and locational knowledge. Children will learn about what London and Bradford have to offer.

Computing (computers and iPads)

Safety on the internet. Children will be taught how to keep themselves safe when online. They will also be studying programs linked to **Questioning and Effective Searching** through Purple Mash.
