

02 September 2025

Dear Families,

Year 4 Reading Plus Parent Meeting Tuesday 16th September 8.30am

We are excited to invite you to a parent meeting to discuss how we use Reading Plus in school to help children to learn to read. As we start a new academic year, it is essential your child is able to log in and get the best from this exciting tool. Reading Plus is an online learning platform which supports children with reading fluency and comprehension with hundreds of texts to choose from.

We look forward to meeting you **16th September** where we can discuss how best to support your child with their learning to enable them to become articulate and resilient individuals with aspirations to succeed. We will show you the benefits and how to log in or monitor your child's progress.

Refreshments will be provided.

If you are unable to attend this day, please contact the office to arrange an alternative.

Yours sincerely,

Miss Simone

Mrs Kaur
