

English Newspaper Report – understanding and using the features of a newspaper report.

We will all be able to write and produce our own Newspaper report, this fascinating article will be structured to include different pieces of information. We will be studying and aiming to include the following writing skills; sub headings that summarise our paragraphs, adverbs to add interesting detail. We will be revisiting the use of question, exclamation marks and speech.

French We will learn to...

Say, write and understand the days of the week and months of the year.

Count from 0 – 40 spelling, listening to and understanding the numbers.

Computing :- Logo

To learn the structure of the coding language for Logo and to input simple instructions in Logo. Use 2Logo to create letter shapes and to use Repeat functions in Logo to create shapes.

PSHCE Dreams and Goals

The children will be talking about short and long term aspirations. They will also be able to set personal goals for the year.

P.E Dance

Outdoor activities.

Science

What's that sound?

We will be exploring and investigating sound sources. We will be able to identify how sounds are made, associating some of them with something vibrating. We will study how sound travels through to the ear, patterns between the pitch of a sound and ways to change pitch of a sound.

Music

To expand the children's repertoire of songs, we will be singing different styles of songs. This will include; musicals, pop, jazz, blues and rock. We will continue to learn to play music on glockenspiels.

Art and Design

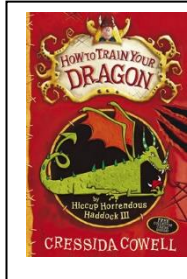

Producing a landscape of the Aurora Borealis using chalks and colour blending. We will study colour mixing and blending using chalks and produced a layered final piece.

History and Geography

The Viking struggle for the Kingdom of England. Moving on from Anglo-Saxon times, we will learn about the Viking raids and invasions. This will include the resistance that Alfred the Great and Athelstan put up against the Vikings. We will look further into Viking life and invasions.

**Year 4
Spring Term 2**

Important Information

- Remember our schoolwide, home reading challenge! The more times children read to an adult at home, the more raffle tickets they gain. A winner will be selected every half term to buy a book.
- Year 4's times tables progress has been good and we need to keep working to reach the expectation of knowing all times tables to 12 x 12.
- All homework is set on a Wednesday and is due back on a Tuesday. This includes maths, literacy, reading, spellings, times tables and TT Rockstars.
- P.E. kit needs to be worn on Tuesday.

Maths

Recognise and show, using diagrams, families of fractions. Solve problems involving increasingly harder fractions to calculate quantities, and fractions to divide quantities, including non-unit fractions where the answer is a whole number. Add and subtract fractions with the same denominator. Count up and down in hundredths; recognise that hundredths arise when dividing an object by one hundred and dividing tenths by ten.

R.E.

How do faith communities demonstrate what is sacred?
