

English This half term our class novel will be based on Journey to the River Sea by Eva Ibbotson, Initially, we are going to take part in drama and oracy activities, then we will investigate new vocabulary, discussing word definitions to enable us to use these to compose sentences. After this, we will be investigate imagery and figurative writing skills, using expanded noun phrases to prepare us for some descriptive writing. In spelling, punctuation and grammar, we will learn spelling rules, conventions and patterns. We will consolidate our understanding of conjunctions and subordinate clauses as well as practising using parenthesis and cohesion.

We will write a **letter** from the persepitive of Maia, the main protagonist character who journeys to The Amazon Rainforest.

In guided reading we will study a selection of poetry, non-fiction and fiction texts and these will help us to write with maturity and flair.

Computing

This term, our children will be learning and experimenting with online modelling and we will be recapping online safety

PSHCE

Healthy Relationships
What makes you feel safe and healthy?

P.E

The focus this term will be Athletics/striking and fielding. Please make sure your child has their P.E kit on Tuesday.

Science

Animals including Humans

Describe the changes as humans develop to old age.

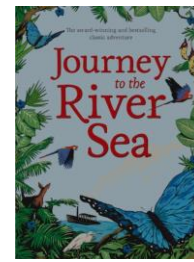

Music

Using lyrics in songs. We will be singing and enjoying music the children love.

French

In this term, learners use dictionaries to look up different instruments. They use opinions in the context of different types of music, and to give reasons why, using 'parce que' (because). They use the language they have learnt to create short raps or songs about food, sports or music.

Year 5 Summer Term 1

Summer 1 – YEAR 5

Children are encouraged to read at home every night in upper KS2 and planners must be signed by parents/older siblings. This is an expectation that will help with learning.

Reading - books are changed when needed and Reading Plus should be completed for 30 minutes a week at home.

All homework is set weekly - this includes maths, literacy, reading, spellings, times tables, Purple Mash and TT Rockstars. Homework is set on Purple Mash, including spellings on the the class blog and must be completed on time (spelling test on a Friday every week).

Times Tables must be mastered ASAP up to 12 x 12 at home to help children progress though Maths. Quick recall is needed.

SATS bootcamp will help children to practise for statutory tests.

Art and Design

This term we will be creating rainforest collages of animals. This links to our study of rainforests.

Geography

We will be learning about different types of rainforest and their structures. We will understand why and where these are located in the world and investigate how the climate affects the plants and animals that live there.

Maths Spring Term:

Shape, Position and Direction including co-ordinates on a grid.

Yearly Overview

Autumn term	Number Place value VIEW	Number Addition and subtraction VIEW	Number Multiplication and division A VIEW	Number Fractions A VIEW
	Number Multiplication and division B VIEW	Number Fractions B VIEW	Number Decimals and percentages VIEW	Measurement Perimeter and area VIEW
Spring term	Geometry Shape VIEW	Geometry Position and direction VIEW	Number Decimals VIEW	Statistics VIEW
	Geometry Shape VIEW	Geometry Position and direction VIEW	Number Decimals VIEW	Measurement Converting units VIEW
Summer term	Geometry Shape VIEW	Geometry Position and direction VIEW	Number Decimals VIEW	Measurement Converting units VIEW
	Geometry Shape VIEW	Geometry Position and direction VIEW	Number Decimals VIEW	Measurement Converting units VIEW

Children should now know all their times tables up to 12x12 and their division inverses.

R.E.

What do Christians believe about old and new covenants?
