

English

Carrie's War by Nina Bawden is our fictional text that is based on actual events. The Blitz and World War II will remain topics of study.

Children will apply the grammatical and punctuation skills they have learned to produce a descriptive narrative.

Other topics covered this term include a variety of texts, extracts, and poetry to highlight the many methods authors employ to entertain and interest readers.

Computing

Blogging using Purple Mash
(see separate Knowledge Organiser)

PSHCE

Celebrating differences

Looking at friendships, relationships and conflict resolution.

P.E Gymnastics and invasion Games

Taking part in The Mile Challenge.
Playing football

Science

(see separate Knowledge Organiser)

Light –

- recognise that light appears to travel in straight lines
- use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye. Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- use the idea that light travels in straight lines same shape as the objects that cast them.

Music

We're excited to announce that our music teacher will be introducing students to the vibrant rhythms of Samba music! Through engaging lessons, students will learn the basics of Samba rhythm, explore its cultural roots, and try out some percussion instruments.

Art and Design

DT: The Blitz - studying the work of sculptor Alberto Giacometti. Experimenting with mixed media, creating prototypes and a final sculpture of a figure.

History - WWII, The Battle of Britain and The Blitz

The children will study an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066. We will be researching World War II and The Battle of Britain from 1939 – 1945.

Geography: Locational knowledge / map work
European Countries/UK - WW2

Year 6

Autumn Term 2

Important Information & Home Learning in Year 6

- Children are encouraged to read at home every night in upper KS2 and planners must be signed by parents/older siblings. This is an expectation that will help with learning
- Planners will be checked every Monday.**
- Homework is online. 30 minutes minimum Reading Plus. Sats Bootcamp to revise English and Maths.
- Weekly spellings will be given on a Monday and previous week spellings tested on Monday.
- TTRS for enjoyment and learning times tables.
- P.E. kit is needed on Monday and Wednesday.
Please contact class teachers if you need to discuss any aspect of home learning

Maths

Number – Fractions & Converting Units

Equivalent fractions, simplifying fractions, adding, subtracting, multiplying and dividing fractions. Converting units- converting and calculating metric measures.
