

English - our flashback fiction text is *Eye of the Wolf* by Daniel Pennac. This fascinating narrative connects two fictional tales: one about a boy named Africa and the other about a captive Alaskan wolf with a single eye, named Blue Wolf. The connection between the two characters is uniquely conveyed through a powerful device—eye contact, through which the boy and the wolf communicate without words.

Throughout this term, children will engage in writing across a variety of genres, including poems, informational texts, recounts, balanced arguments, flashbacks, news reports, stories, biographies, persuasive letters, diaries, and narratives told from different perspectives.

In addition, we will explore a diverse range of texts, excerpts, and poems to analyse how authors employ various literary techniques to captivate and entertain their readers.

Music

The children will listen with attention to detail and recall sounds with increasing aural memory.

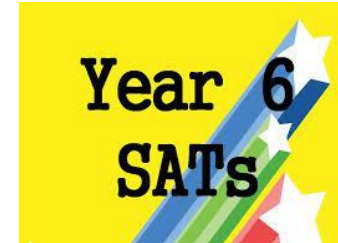

Taking part in singing assembly.

Science – Animals including Humans.

Pupils will learn about similarities and differences between humans and animals, including basic biology, behaviour, and how both interact with their environments.

SATS Practice-

This term the children will have intervention sessions to prepare them for the SATS in May. These will include focused lessons on arithmetic, reasoning, and reading comprehension.

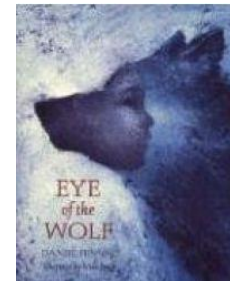

Computing: Networks

Children will learn how networks work, understand computer networks including the Internet and learn how they can provide multiple services.

Year 6

Spring Term 1

PSHCE

Healthy me

British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Important Information

- Pupils are encouraged to read at home every night in upper KS2 and planners must be signed by parents/older siblings. This is an expectation that will help with learning.
- Pupils must spend a minimum of 30 minutes on Reading Plus at home per week. They should also revise on Sats Bootcamp for 30 minutes per week. This may include revising Arithmetic, Spelling, Reasoning or watching videos based on current learning.
- We encourage pupils to feedback on their learning on the Purple Mash Blog. It is a great way of staying in touch.
- P.E. kit should be worn on a Monday with a school jumper
- Jumpers/fleeces should be worn when weather is cold

P.E. Net and wall games

Please make sure your child has their P.E. kit for Mondays

Maths

Number: Fractions Decimals & Percentages

*Understand the equivalence between FDP. read and write decimal numbers as fractions [for example, $0.71 = \frac{71}{100}$]

Number: Area and Perimeter

Calculate area and perimeter. Solve problems involving area and perimeter using all four operations.

Number: Statistics

- solve comparison, sum and difference problems using information presented in a line graph
- complete. read and interpret information in tables

R.E.

Why are certain people, places and times sacred?
