Dear families,

Vandalism in school

We are extremely disappointed to report that we have had two incidences of trespass and vandalism over the past month. During the Easter holidays an attempt was made to break into our portacabin where we hold a huge amount of community education classes and social groups. Over this last weekend, on Saturday 14th May at approximately 10pm, a group of 3 boys and 3 girls slashed and destroyed a new plastic greenhouse we had purchased for a gardening club. They also tipped out all the seeds our children had planted and threw the equipment around the area. We have CCTV footage of this group which has been passed to the police.

It is extremely disheartening for the staff who run the club and for the children who had proudly planted flowers and vegetables to grow.

We would ask that anyone who sees any suspicious activity during the hours that school is closed, or has any information about these events, please contact the police on 101 and report the issues. We are working closely with the school PCSOs to maximise our security and gain support in the area.

We work extremely hard to maintain our school and ensure it is a pleasant and safe place for our students and it is very upsetting when events of this nature occur.

We thank you for your support in this matter.

Yours sincerely

Mrs H Haunch

Principal
