Dear Families,

**SATs week  
Monday 9 – Thursday 12 May**

Next week is SATs week. The children have been working extremely hard and we are proud of their efforts and commitment to their learning.

At the bottom of the letter is the timetable for the week, detailing when each test will take place during the morning session. Undertaking tests is very demanding, so, more than ever, we need your help ensuring that your child goes early to bed and is fully rested so that they are refreshed and prepared for the next day.

We will be offering a free breakfast club to all children in **Year 6 from Monday - Thursday**, starting at **8:00 a.m.** We hope to see them all there as this is a nice opportunity to settle the children in, for them to catch up with friends and we can answer any questions they might have.

If you have any questions at all, please do not hesitate to speak to one of us.

**Yours faithfully,  
The Year 6 Team**
